

Howick Pakuranga Cricket Club

Junior Division

2009 Photo Sessions

Team photographs will be taken at the cricket clubrooms, Lloyd Elsmore Park, on the dates and at the times below. Please ensure that all players come along for the session and are there on time as the photographer has a very tight schedule considering the number of teams we have. The cost of the standard size photo is included in the enrolment fee this season.

If you would like a larger size this can be ordered directly from North Star photography at a cost of \$19.50.

COACHES please have players ready before going to photographer ie: socks tidy, collars neat and players all in height order, all officials present. The Photographer will have a list of the players in each team but not the Coach/Managers name. Please submit these at the time of the photo.
