Banking	ASB Bank

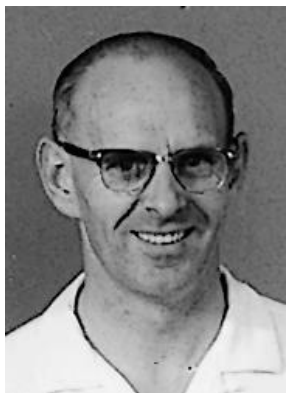

1.0 Obituaries

Writing these is always a hard thing to do especially when you knew the people well. As the Club gets older we are going to have to write more of these because it is one way to mark their contribution to our club.

The five men covered this year all made significant contributions to the development of Howick Pakuranga. Jack Jensen was a major force in the 1950's and 1960's when Howick Cricket Club was working its way up through the senior grades in City and Suburban at the Domain. Lucky was a real mover and shaker during 1970's when we were trying to get accepted into ACA Premiers.

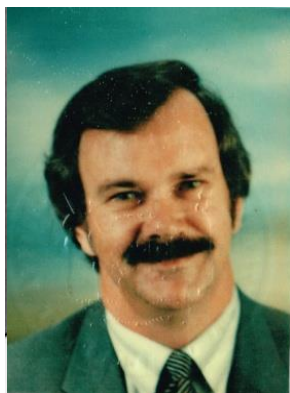

It was a struggle even though by 1973-74 we were the biggest club in Auckland. Lloyd's contribution came with committee service and working with the fast growing section. Bevan came along at the right time and helped us to a championship in 1981-82 and Sean was a product of our club development program albeit he was a heck of a cricketer. We should value the contributions made by these men because without them we wouldn't be where we are today.

Jack Jensen

Jack played for the Senior team from 1953-54 to 1963-64 and was a member of Howick's first three Championship winning sides. He joined the committee in 1955-56 and was also captain of the 1955-56 Seniors that won the club's first senior championship. He also became involved in selection and was elected President in 1958-59. He was club secretary between 1963-64 and was a vice president for many years after that. Jack was a useful all rounder bowling medium pace with a slinging action and won the senior batting trophy on more than one occasion. He finished his days playing in the grades well into the 1960's.

Lloyd Wright

Lloyd joined Howick in 1965 and was placed in the second grade side. He made an immediate contribution by assisting Taffy Williams with the juniors and continued to do so for some years. He played for Howick in various grades ranging from Presidents to Seconds for 20 years scoring over 4000 runs in the process and took about 250 wickets with his off spin. He always wanted to be in the game and played with spirit. Lloyd scored one century late in his career at Ti Rakau Park in partnership with a young Nigel Low who also scored a century that day. After Lloyd retired he went back on the junior committee.

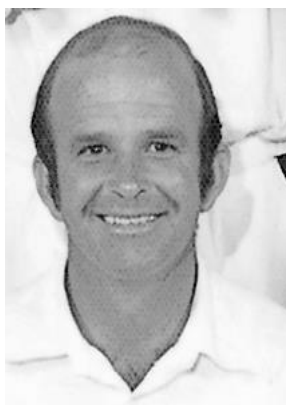

Bevan Congdon

Bevan joined the Premiers after he had retired quite by chance when he ran into Clive Radley up in Howick in 1980. Clive invited him to come and play and Bevan accepted the invitation and played after Christmas making an immediate impact taking 37 at 10.49. He played the following season and half the next. He topped the batting averages with an average of 57.2 and took 21 wickets in the 1981-82 Championship winning season. Bevan was a team man, very quiet and unassuming with a droll sense of humour. He was a real mentor for the younger guys who often turned to him for advice.

Alex (Lucky) Roberts

Lucky joined Howick Pakuranga in 1971-72 and made an immediate impact when he arrived in Howick from Wellington with his young family. He was a regular in the senior side and captain of our first premier team in 1976-77. Lucky was a natural leader and had great vision which benefited the club. He also made a wonderful contribution to junior cricket development building on the good work of his predecessors and improving the standard. He worked with a loyal dedicated team and it is pretty clear to the writer that our Premier side has been built around youth development.

Sean Roberts

Sean was one of the most talented cricketers to ever come up through our ranks. Youngest of three brothers Sean began his journey with selection for North Island Primary Schools in 1980-81 and by 1985-86 was playing Premiers with his brothers Mark and Brett. Sean captained the Premiers during the 1990's and played in Alan Hunt's Championship winning 1993-94 side, scoring 861 runs at 43.05 and taking 15 catches in slips. Sean was a regular in the Auckland A side and made the Aces in 1994-95. Sean also played for the NZ Under 19 side in 1987-88 and 1988-89. Unfortunately, chronic ill health cut his career short.

3.0 Office Bearers and Administration Reports

3.1 President's Report

What a great season for the mighty HPCC.

The undoubted highlight being after some 25 years, the club has won the Hedley Howarth Two-Day competition. This combined with being runner up in the 20/20 competition, as well as a one loss 50 over campaign for the premier men. This combined with the winning efforts of many of our Junior teams, the club has won the ACA Club of the Year 2017/18 season. An achievement not to be underestimated but to be challenged for again next season as a target.

We can also be proud of our women's group within the club, particularly the Premier Women's team who had some very promising wins, and with more structure around for the next season, and the addition of some new players, we can look forward to the coming season with confidence.

What must not be lost with our on-field success, is what is being done off the field by a talented and hardworking board, capably led by Chairman Lindsay Rewcastle. They have had many decisions that had to be made, not all popular, but with the intent to add more structure and positioning for the HPCC to continue to propel the club as one of the power houses of Auckland Cricket. This vision caters for both the senior and junior sections of the club.

It would be remiss of me not to mention the work that Sandra Rewcastle has put into the club, giving all her business ability in getting structures right for future.

There are highlights to mention:

- The all-weather turf in front of the Pavilion.
- The continued support of sponsorship from Ray White Realty and the Director, Marie Raos
- The retail store and continued support from our gear / clothing supplier, Pushka Kulkarni
- The refurbishing of the clubrooms upstairs, including a very professional kitchen, and bar.

- A more professional approach to Trust Grant applications
- The Annual Fundraising Dinner run by a great team, particularly Carmen Holmes
- The well run and very jovial Golf Day run by Nigel Scott
- The magnificent Monday night Twilight tournament run by Dave McCullough of Ron Enright Tools and his elves.
- While he will not like the adulation of being mentioned, the work of Ted Waters, filling the portfolio of acting General Manager, and his brain working non- stop to better the club off and on field.
- The ongoing support of the Buckland's Beach Association Football Club.

Last but not least, I thank everyone from the Board, Committees, Staff, Scorers, Life Members, Coaches, Managers and Players for their contributions, and would welcome MORE people to offer their voluntarily contributions, no matter how big or small, in the coming seasons.

THE CLUB NEEDS YOU.

Nick Craig
President

3.2 Chairman's Report

As we look back on the 2017/18 season we can look on the performances on and off the field with a lot of pride.

We challenged our players to stand up, throughout the club they did.

We challenged our coaches, both professional and volunteer to raise their game, they did.

We challenged our board and administrators to firstly find more money to fund our operations and secondly build professional systems to run the club. In both cases they did

We decided to invest heavily in coaching at the expense of admin. When you look at the financials, yes, we're down a little on last year's profit, but this is more than made up in the championships we've won, the increase in skill levels and the additional funds (\$310,000, not reflected in FY18 accounts), awarded in April and May 2018.

There are many people to thank for our successes, too many to mention all of them, but there are a few who really stand out.

The Leadership Team of the Premier Men

Winning pressure games doesn't happen by accident. The work Bill Walsh and Ben Williams did off the field conditioned our premiers to win tight situations, From memory they lost two, a last over loss to Takapuna in a one dayer and a last ball loss, 2m inside the rope at Eden Park. 2m that was the difference between winning and losing the T20 Final.

Everything else they won including

- Chasing down 346 against Cornwall, after being 194/6, Cam Neale, Rudi Botadra and Danru Ferns added 154 for the loss of only one wicket to secure the first innings win
- Recovering from 74/4, Bill Walsh and Cam Neale added 178 for the fifth wicket to pass Grafton's 250 and qualify for the top four
- Chasing down 200 against Cornwall in the T20 semi final, David Winn scoring 56 off 38 balls and Donovan Grobbelaar 64 off 28 balls.

- Bowling out University in 31 overs with Adam Jones taking 5/22 and then chasing down the target with a 6 in the last over
- Adam Jones and Taine Jolley holding out 9 down against Papatoetoe to secure the championship lead going into the last game.

Composure and comradery saw them hang tough many times.

And we discovered players with real futures in the game, Jamie Brown, Danru Ferns, Andrew Morrison, Dale Phillips, Adam Jones and Cam Neale.

The Coaches and Supporters of Years 6 to 10

The next generation of premier and rep players are looking good.

All due to a bunch of highly motivated coaches and parents.

Coaches with cricketing backgrounds, varying levels of coaching skills, but with a high level of commitment to provide their players with whatever they need to succeed.

Seven championships from Year 6 to Year 9/10 is a magnificent achievement, players and coaches can feel really proud.

The challenge will be to keep these players and parents in touch with the club while the players are at secondary school.

We're working on a number of initiatives to keep these players involved, but the fact that we've got 130 of these players in our Term 3 Winter Academy, says there is real commitment from these players and parents.

The Fundraising Team

When we adopted a new strategic plan in January 2017, the focus was set as

- Coaching
- A Winning Culture
- School Outreach
- Organisation
- Facilities
- A Positive Influence on East Auckland

We recognised that this would cost money, money we didn't have.

I'm pleased to say that in the 18 months since we adopted the strategic plan we've raised over \$500,000 through trust grants, sponsorships and fundraising dinners.

There are many people to thank for this, but one person stands out, Ted Waters. Without Ted's drive, determination and contacts this wouldn't have happened.

This year, we've welcomed Tony Walsh to the board and the trust grant funding team. Tony is a former intermediate principal, very good with documentation and processes, he is doing a great job for us with the funding organisations.

The Volunteers

The club is made up of 1000 members, of which only five are on the payroll.

The five do a great job, making sure the clubrooms and grounds are always available, coaching for seniors, juniors and schools, teams are sorted, players know where they are playing and making sure these players have gear.

But this is just a small part of what we do, the club couldn't run without volunteers.

Coaching, transportation, lunches, scoring, manning the BBQ, umpiring are just some of the many tasks parents, partners, care givers do.

Thank you for what you do, without you we wouldn't have a club.

A Special Thank You to Colin de Grandhomme

Colin de Grandhomme will always occupy a special place in the club.

He came to the club as a young man in 2006, started playing for the Howick Pakuranga Cricket Club, forced his way into the Aces as a man who could bowl medium pace and hit a ball a long way.

He helped Howick Pakuranga to four one day titles and a T20 title and debuted for NZ in One Day and T20 matches in 2012.

But it's a test player that he has really made his mark, called in the Test team in 2016, he took 6/46 on debut (best ever by a NZ player) and last season he scored the second fastest 100 by a NZ test batsman.

Best test bowling figures and the first test century by a HPCC player.

On top of all that he topped the NZ test batting averages in 2017/18.

Colin and his partner Sam are building a house in Tauranga, he has decided to play his domestic cricket for Northern Districts.

We wish them both well, we thank Dutchy for everything he has done for the club and remind him there will always be a place at the bar for him.

Looking Forward to 2018/19

We're not going to let our standards slip in 2018/19.

On the administration side of the club, thank you to Ted Waters for holding the fort since Christmas as Club Manager. Ted said from day one he would do it until the AGM and then review his role. Ted has decided to step down from the club manager's role, go back on the board and focus on fund raising.

Francis Scordino is stepping in as club manager. Francis has an extensive sporting administration background, including time as business manager of Wellington Cricket in the early 2000's. Francis's son Noah was named player of the year in Year 8A McClenaghan.

Two other things we doing on the admin side, we're streamlining our registration process using new software called Friendly Manager. Thanks to all the parents, players and coaches who helped with testing, we're ready to launch on August 1.

We're also adding external accounting support through Manekow Accounts, to add a professional touch to our accounting practices.

New Coaching Team for HPCC

Last year's coaching team have moved on, Ben Williams is moving his academy to Dubai, Danru Ferns has been awarded an Aces contract and Warren Herbert and his family have moved to Palmerston North. We wish them well, they did a good job for HPCC last year we want to see them succeed in their future careers.

Looking forward to 2018/19, we're pleased to announce another quality coaching team. Three club stalwarts, Alan Hunt, Donovan Grobbelaar and Dan Bowden have signed up to be part of the HPCC coaching team. Alan Hunt as Director of Cricket and Premier Men's Coach, Donovan Grobbelaar as Junior Academy Coach and Dan Bowden as Premier Women's Coach. As part of Donovan's new role he has moved his DG25 Cricket Academy from Eden Park to Lloyd Elmore Park.

Both Alan Hunt and Donovan Grobbelaar have played over 100 games for the Aces, both have been key to HPCC Premier championship wins. And Donovan will carry on playing for the Premiers.

Dan Bowden has been with the club for many years, assisting with Premier and Premier Reserve Women, and the father of two of our most promising players, Skye and Alyssa. Skye has already represented NZ Women in Indoor Cricket, Hearts at U21 level and Alyssa was named by Auckland Cricket as Best First Year Premier Women Player, as well as being in the NZ U18 Women's Indoor Cricket team.

Alan Hunt - Director of Cricket, Premier Men's Coach

Howick Pakuranga Premiers, Captain, Club Legend
New Zealand U23

Auckland Aces, 104 games

Auckland and Northern District A Coach

Central Districts Stags Coach, 2 Titles

Sacred Heart College Coach

Donovan Grobbelaar – Junior Academy Coach

Howick Pakuranga Premiers

Auckland Aces, 131 games

DG25 Cricket Academy

Dan Bowden, Premier Women's Coach

Northern Districts Indoor Cricket Under 22 Women's Coach

Manukau Districts Under 15 Coach

Howick Pakuranga Premier Reserves Coach, Championship Winner

We've had very positive feedback from club members about these appointments, I'm sure that support will continue through the season.

Thanks to the team that worked to put this team in place – Bill Walsh, Rowan Naude, Stephen Hunt, Nick Craig, Tony Walsh and Ted Waters.

2017/18 was a great year, but we're not looking back.

We've got a big year ahead of us, but we'll face it with the same resolve and determination that we faced 2017/18.

Lindsay Rewcastle
Chairman

3.3 Club Manager's Report

As you read this report I will not be in the role as I have stepped down knowing that a very talented bloke will be taking over this position.

Firstly, as a follow on from the fundraising work that has been my main function while on the board. Becoming club manager has enabled me to hands on and to implement the improvements to the clubrooms.

The first has been the install of the artificial lawn and cabling and power to each corner for any future functions or club activities. This has also been very well received by BBAFC over the winter months.

The new point of sale system posBoss has helped the bars stock control and ordering.

The partnership agreement with BBAFC is in its second season which is proving to be beneficial to both clubs.

The Pro Shop is in its infancy as a business but as you can see it is up and running. I believe we are very lucky to have a specialist cricket gear provider in the Howick Pakuranga area. Where previously it was a trip to Newmarket, Mt Eden or Onehunga.

Pushkar Kulkarni of Freedom2Play has also sponsored many players including Danru Ferns and Jamie Brown in the Auckland Aces. It is imperative that we continue to support our gear provider who has enabled the club to make more improvements to its facilities.

Going forward we have new covers to purchase for the blocks that need them, painting the indoor and admin block and update the lights in the indoor nets.

Lindsay and Sandra have headed the new software implementation to take over from ClubHub and promises to be faster with less steps which is in sync with Xero and a savings to the club in the thousands.

These are huge improvements which we have been able to implement quickly. This is due to strong revenue streams and solid membership support. Most of all from key volunteers.

For my part I couldn't have done what I have without the no fuss "go for it" attitude from Lindsay and other board members.

Apart from all our cricket related work, we hosted the Iraq elections.

Where do I start. Well firstly Lindsay pretty much pulled this whole thing together obviously drawing on his business experience of working in the states for so long. After all no one can deal with Iraq better than the USA right? So not without many trying circumstances the contract was negotiated and then renegotiated until all had voted and we negotiated some more.

By this stage I contracted a migraine, but Lindsay continued. The full story will never be put in print. But in the end of the day the club made a good sum as did BBAFC.

I'd also like to thank Chandre for taking on her new role as the link between the junior grade coordinators and the rest of the club. Chandre is hugely positive and is proving to be a massive link as the club followed the restructuring put forward by the junior committee. Now each individual grade coordinator communicates directly with Chandre.

My biggest thanks go to Sandra. While the club put much of its budget into coaching, Sandra took on the club managers role without payment for nearly a year. In this time, Sandra streamlined many of the administrative areas of the club.

It's also important to note that Sandra although an ex international softball player has little to no interest in cricket or do her daughters but even the girls were serving sausages and making filled roles and wraps at various dates during the season.

Lastly, I would like to welcome Francis Scordino as our new club manager. The club received Francis's CV over a year when as mentioned before we'd decided to fund coaching not admin. However, it was the most impressive CV we received at the time. To give a quick snap shot of where Francis has been

- Business Manager of Wellington Cricket.
- Executive Director of Auckland Badminton
- Project Manager New Zealand Squash
- As well as working for the New Zealand Lotteries Commission.

Most importantly Francis has showed what he is made of having coached since 2002 and in the last 2017/18 seasons coached two HPCC club teams. Narrowly missing out on the Auckland 8th grade club final which was won by HPCC McClenaghan coached by yours truly. But hey we do it all for the kids.

Thank you for the opportunity

Ted Waters ex Club Manager

4.0 Cricket

4.1 Senior Men

Season 2017/18 was a successful season which brought the Premier Auckland Two Day Championship to the club for the first time in 25 years. A great achievement and testimony to the progress and ability of the talented group of players currently at the club.

The premier team had an outstanding season in all three formats and consistently won tight hard-fought games against quality oppositions. Under head coach Ben Williams and Bill Walsh's captaincy, as well as winning the two day championship, the team made the T20 final, won 4 out of 5 one day games but due to the strange format didn't progress to the play-offs. With no fewer than eight representative players away for long parts of the season the team coped really well and delivered the goods with whichever 11 took the field.

The bowling honours were shared and everyone called upon contributed but a special mention should go to Rudi Botadra and Adam Jones who were the leading wicket takers. The main strength was the deep batting line-up and the feeling that whatever score the opposition got HPCC Premis would knock it off. The batting line up of Bill Walsh, Daniel Young, Andy

Morrison, Dale Phillips, David Winn, Cam Neal, Sam Borland all fired at various stages through the season with some great individual performances and consistently three or four players putting their hands up in most innings. Congratulations to Ben, Bill and the team for all their effort.

The premier reserve had a very good start prior to Christmas but faded away at the business end of the season. Michael Greenwood was at the helm and captained the side well. Our spin department was the strength of the side with Rowan Naude, Jacob O'Callaghan and Kieren Mackenzie all consistently picking up wickets and the most formidable spin attack in the league. Unfortunately, the batting and fielding needs to improve if we are to push for

promotion. Taine Jolley & Michael Greenwood toiled hard with the ball but we struggled to get runs regularly with the bat. The reserves are a young side with lots of potential and look forward to fighting hard again this season.

Nick Baker led the 3rd team to successful season, after a poor start the team play some great cricket and were unbeaten after Christmas and finished a combined 3rd overall. The batting was held together by Hamish Dickason and Ryan Strydom and the bowling by Zariab Karkaria, Shaun Richards & Myles Driscoll. The team deserves great credit for coping with the large number of last minute changes to their teams that they suffer. Yet despite this, we are still able to put out a very competitive side.

The fourth team played in the two-day league, the first time for several years. Robbie Cook did great job captaining. It was Robbie's second year in job and club are in indebted to him as he spends many hours organising teams behind the scenes. The team struggled at times but also had a few highlights with Sahil Desai & Shauwan Irani scoring hundreds along the way.

Thanks to Richard Keene for the trouble-free running of the president grade.

This year we had 3 one day sides that all performed really well, winning their leagues prior to Christmas and all being promoted after Christmas and doing well again.

This year also saw a lot more of our senior players coming back and sticking around after match-days to celebrate achievements on/off the field and has contributed to an improved club culture. Once again we hope this grows further next season.

Congratulations goes to Colin de Grandhomme, Colin Munro and Glenn Phillips whom all had outstanding performances for the Black Caps and will all be looking forward to more international cricket in the future.

Wayne Mackenzie
Senior Club Captain

4.2 Senior Women

With a new format underway for the season, and some changes within the structure of the top two divisions, HPCC was well prepared with 2 competitive teams. The emerging hearts competition was renamed to Premier Reserve, which is more in line with what it should be. However, for some reason, it was established as a nine a side format. This made it easier to field teams, but really created little ability to move players between Premier and the reserves with effective results.

Our Premier team had good retention of players from last season, we had lost a few girls with other changes in the competition, moving away from the region and working commitments. But we were very pleased with the girls that formed the week to week team. We had a few new girls join the squad during the pre-season training due to the usual movement around clubs. Two teams were lost to the competition with Eden

Roskill and Waitakere. Both had some strong players, and these went to University and Takapuna to create two very powerful units. Parnell picked up a lot of the leftover Eden Roskill girls and two from HPCC. Cornwall also elected to drop from 2 Premier teams to one. So, in summary, three less teams from previous year, with Parnell coming in to replace one. Nett result a 6-team competition.

We gained some new girls with Rewa Arora, Jessica Tully, Katie Harrison whom all had valuable contributions to our team. Rewa being a dominant player in the grade and a prized wicket-keeper. Her contribution to the team on and off the field very valuable. We lost Molly Penfold for the season to injury during winter sport, and Erin Beattie post Xmas to injury also. One disappointing aspect of the season was workloads that ACA high performance put on some of the girls which limited their ability to perform regularly. This is an aspect that really concerns me about developing the game, and the effect that this practice puts on some clubs. We were unable to use our key bowlers as we would have liked to have due to injury and over work in

their commitments to the developing player programs. Also, with age grade U18 and U21 events which is a heavy workload over a 5-day tournament. ACA need to manage this better with player welfare more part of the program. This had a big effect on our campaign not being able to use our assets as we have liked. It also, in my mind, held these players back from being able to prepare, and perform on the field which is how they can show their progress and game skills.

As we predicted, Takapuna and University were very dominant, made up heavily with first class players. Cornwall still had a great looking team sheet, but never really hit the levels they should have. Papatoetoe have always had great consistency and were a tough match each time we met. Parnell as a new team struggled to put any consistent performances together. University and Takapuna very professional and extremely high level.

The HPCC women held their heads high through the season. We had some brilliant performances that resulted in strong wins over very good teams. We also managed to have a couple of very poor performances that the girls were very disappointed with. In terms of the structure of the team, we were well led with Amberly Parr taking over the captaincy from Steph Carr whom moved to Parnell. Amberley grew through the season and made good decisions and developed her tactical thinking. She was well backed up by other senior players in Skye Bowden, Josie Penfold and Rewa. Unfortunately, the standard of umpiring through the season had some big effects on games. A lack of application of the rules saw some terrible decisions made both ways. The quality of the appeal generally determined the result, rather than the quality of the delivery. I sincerely hope that this can be improved for next season and decisions based on the delivery rather than the appeal or the name of the bowler.

Both Skye Bowden and Amberly Parr made the Hearts squad that travelled to Australia early in the season. This was very good game exposure for them and they both benefited well for the opportunity. Skye went on to travel a lot with the Hearts team and if she can keep healthy next season, will be our first Hearts player to come through the club from nursery grades.

In order to continue to grow and develop as a team, the top order batting will need to be strengthened. We hope to have the services of an English county player for the 2018-19 season that will be of valuable help to this. We also had interest from a few other girls around the competition that liked what opportunity playing with HPCC would allow.

We have some fantastic talent coming through, Alyssa Bowden and Marama Downes both had some strong contributions during the season. Mansimran Khaur also showed her ability with the bat is also developing well. These three girls are only year 10-11 students, so have really exciting futures. We lost two players post Xmas to university commitments out of Auckland. This put a lot of pressure on our squads and created some challenge to get teams filled each week. It also provided opportunity for some of the U15 girls to get games exposure to premier reserve, and these girls did a great job to help us out. So a really big thank you to them.

Behind the scenes was run without fuss and with really great attention by Stephen Hunt (Presidents Cup Winner 2017/2018 season). His ability to see the issues and ensure we got teams out each week was so valuable to our campaign. I'd personally like to thank Stephen for his dedication to women's cricket at HPCC. Likewise the happy smiley face of Desiree Jenkins-Allright (Presidents Cup Winner 2016/2017), who kept my girls in check, got them to the grounds on time, and did a sterling job of scoring for us. Another huge thank you from all the team. Daniel Bowden was a huge help in trainings, warm ups, sessions and stations to keep the girls busy and challenged. I hope Daniels contribution to HPCC continues and his involvement with the team forms part of the future progress.

Without a dedicated coach for the reserves, we combined training to try to get good

preparation. This worked OK, but post Xmas we split the teams up on Thursday to prepare better for their fixture. Big thanks here to Shayne Bird and Stephen Hunt for helping with this.

The past two seasons have been a great time for myself personally, I have loved being part of the Women's program, and the girl's development. They are an infectious bunch, enjoy themselves and enjoy this great game. They have fantastic attitudes and were a pleasure to work with. I will watch their progress going forward and will turn up on the boundary during the season some time! Thanks to all the leadership at HPCC for the opportunity, and to all the people that have been on the journey with me. It's been a real pleasure!

Warren Herbert
Premier Women's Coach

4.3 Junior Boys

The HPCC Junior Boys section (Year 6 – Year 9/10) had another strong season, with some great team and individual performances.

Firstly, I'd like to thank all of the volunteers who assisted throughout the season. Without coaches, scorers, umpires, supporters and parents getting children to trainings and games we don't have a club and the boys don't have any cricket.

I'd particularly like to thank the Junior Committee members and all the Coaches and Managers. These people all dedicate a lot of time to the club and their teams - It's a big commitment and the club and its members value all your input.

From a performance point of view 2017/18 must go down as one of the strongest that the Junior Boys division has had.

A special congratulations to all of our Championship winning teams:

- HPCC Grobbelaar – Year 6B Championship
- HPCC Mills – Year 7 Premier Championship
- HPCC McClenaghan – Year 8 Premier Championship
- HPCC McClenaghan – Year 8 Afternoon Championship
- HPCC de Grandhomme – Year 8A pool 1 Championship
- HPCC McClenaghan Year 9/10 Premier, T20 Blue Pool
- HPCC Munro – Year 9/10 Premier, T20 Red Pool

The main area for improvement required in the junior ranks over the last few seasons is the need for structured training and development programmes for both players and coaches. I was very glad to see that the club have recognised the need to address this and with the recent appointment of Alan Hunt as Director of Cricket and Donovan Grobbelaar in the Junior Academy Coaching role I'm sure this will be an area of focus moving forward.

Tournaments and Representative Cricket

HPCC continued its tradition of providing a large number of players for District cricket with a number making their respective Tournament teams. Congrats to all.

A range of grades also competed in the inaugural J.T Sparling competition that featuring teams from Cornwall, University, Grafton, Parnell and HPCC.

This involved a round robin format with the intention of providing more opportunities for higher level cricket. Our performances across many of the grades in this competition were inconsistent but our players learnt plenty from playing this higher standard and we're well placed for improvement next season.

Looking ahead after much debate there are a number of changes to playing conditions, rules and competition structures coming into place for many Junior Boys grades next season. While many may not agree with all the changes they're being driven and enforced by Auckland and New Zealand Cricket and we will have to get on and make the best of them. We will attempt to communicate the changes as well as possible in advance once we have all the information from Auckland Cricket.

Lastly, I wish to take this opportunity to thank all of the players who turned out for HPCC for all of your effort and we look forward to seeing you all again next season.

Greg Radford
Junior Club Captain

4.4 Midgets Cricket

Midgets Friday night Cricket had a fantastic season this past year. With the great weather, it was awesome to see so many picnic blankets out and parents out watching the Friday night action.

Initial numbers were slightly down on last year but as the season progressed late enrolments came in and were easily accommodated. Word of mouth spread on the fun to be had!

We changed it up for Grades 1 and 2 this year and focused less on formal games and more on 'Skills Stations'. Nine stations were set up with each team working around the stations during the evening. Each station focused on a skill, covering batting, fielding and bowling, with every 3 stations being a mini game. At least one station was a 'fun' station like Murder Ball, involving both parents and kids - this was a hit! Kids love having their families involved

and there was no doubt the parents had a great time too. Each week one team would have a chance to train in the 'Nets' downstairs. This was also a hit with the kids as they enjoyed training like 'the Prem's do!'. This whole system worked well and the improvement in our young cricketer's skills was excellent. The final five weeks were a tournament against each other, so the kids could use those skills gained.

Grass roots cricket is so important, and it starts with our 5, 6 and 7-year old's. Creating an atmosphere of fun and inclusion will ensure a lifelong love for the game. I have been so impressed with the amazing parents we have at this age. Week after week they supported the new program, helped where needed and had fun. At this age our kids won't remember how many games they won or lost, how many runs they made but they will remember the emotions they felt, the fun they had and that their families joined in.

Bring on 2018/2019!

Karen Kennedy
Midgets Coordinator

6.0 Sponsors and Dinner

6.1 Sponsors and Trust Grants

A special thanks to all our sponsors and trust grant funders that contribute enormously to the success of the club. They contribute in a number of different ways.

- Stevenson Village Trust, have made a significant contribution to the future funding of Howick Pakuranga cricket. In addition to the cricket funding Stevenson have also provided the funding for the upgrading of our kitchen to commercial standard. Special thanks to Betty Shackelford, John Russell for your support.

- Ray White are our club naming sponsors and Marie Raos is naming sponsor of the Premier Men, We were pleased that Marie and Karen and Chris Goosman were able to join us at the Auckland Cricket award ceremony to celebrate the player's achievements.

Ray White

Marie Raos
TURNING DREAMS INTO REALTY

- Grassroots has been a long-term supporter of our coaching team, we thank them for all they do for us. Martin Bradley, former Ellerslie Premier and Auckland Aces is our key contact at both Grassroots and Northern District Cricket. Thanks to Martin and his team, they are the major contributor to the coaching that made HPCC such a force in 2017/18

- Auckland Cricket provides funding for club administration and specific player initiatives such as the Indian and women recruitment drives. Thanks to Iain Laxon, Tony Naidu, Dean Bartlett and the team for your support of cricket in our region.

- Freedom2Play became a major sponsor of the club last season, becoming our clothing and gear sponsor. Pushkar Kulkarni, Robbie Chaimowitz and Zane Laurenzi have gone the extra mile as our equipment supplier, not only supplying high quality clothing and equipment (Tyka, MRF) but also setting up our new Aces such as Danru Ferns and Jamie Brown. And committing to run a Pro Shop from the clubrooms for the next five years.

- Dilmah Tea sponsor the club golf tournament. Scotty's golf day is one of the most fun days on the club's calendar and Scotty never lets us down with a very well organised day and plenty of Dilmah tea to go round.

Dilmah

- We had many club members and sponsors that donated items to the dinner. These people and companies continue to provide support year after year.

DreamBeds

LION

THE APOTHECARY

As we mentioned in a previous part of this report, the income the club has derived from our trust grant providers and sponsors is over \$500,000 over the last 18 months.

The board (all volunteers) have committed that all of this money is being used to fund cricket in East Auckland.

6.2 Jeff Thompson Dinner

Our fundraising dinner returned to the Picton Centre in Howick and was a real success.

Our guest speaker was Jeff Thomson, the fastest bowler in the history of cricket,

Our MC was Brendan Lovegrove and a great night was had by all.

Our guest list was a who's who of East Auckland

- Our local MP Simeon Brown and his wife Rebecca
- Jim Donald and Mike Turinsky from the Howick Local Board
- Iain Laxon, CEO of Auckland Cricket
- Betty Shackleford and John Russell from the Stevenson Village Trust
- Karen and Chris Goosman and Marie Raos from Ray White
- George Balani from Dream Beds
- Pushkar Kulkarni and Robbie Chaimowitz from Freedom2Play
- Dipak Patel, 17 years as coach of the club, left a huge legacy of Black Caps & Auckland Aces at the club

- Three former Auckland Cricket board members, Don Hattaway, Brent King and Rob Davis

Jeff Thompson and Brendan Lovegrove were superb, everyone came away saying what a great night they had.

The auction was a huge success, we raised \$30,000 from the night.

A big thank you to the organising team, Ted Waters, Carmen and Greg Holmes, Nicki Grierson, Alan Hunt and Sandra Rewcastle. What they did was a thankless task, but without their incredible hard work the night wouldn't have happened.

Next year's dinner is already on the planning board, based on recommendations by Jeff Thompson we're looking at Wayne Phillips the former Australian wicketkeeper/batsmen. Apparently, he is in the same league as Greg Ritchie and Jeff Thompson as a speaker.

We've already invited Brendon Lovegrove back as MC.

For those looking to get front row tables for next year, we will be opening table bookings in September.

7.0 Financial

7.1 Treasurer Report

The audited accounts confirm a surplus for the year of \$8k (2017: \$54k) after non-cash expenditure of depreciation of \$43k (2017: \$36k).

Total income, including grant funding, fell by 4.8% against last year from \$539k to \$513k. The shortfall is due in part to registration numbers for juniors being significantly down on last season by 20% or \$18.7k in terms of subscription income and 28% or 71 registrations in terms of player numbers. Despite this decline senior registration numbers increased compared to last year and provided an offset to the shortfall in junior subscription fees along with the success of twilight cricket registrations. Grant funding and sponsorship income was also down on last year which was another contributing factor to the overall decrease in revenue however this was offset by increases received during the year from pavilion hire income and bar takings compared to last year.

Cash Flow continues to show improvement with \$48k generated from operating activities (2017: \$45k). The bank balance shown in the accounts at 31 March 2018 is, for the fourth year in a row, a positive season end balance of \$159k (\$2017: \$196k). Cash was applied to several improvements in and around the pavilion and the new outdoor area and upgraded kitchen are great Club assets.

The overall surplus this year of \$8k is again a pleasing one and represents a decision by the Board to invest more this season into player coaching than during 2017 and the results of this are evidenced by the Club's tournament successes experienced this season at all levels of the game.

The continued success of the annual fundraising dinner also helps the club's efforts. This event requires a lot organisation, time and effort by club volunteers, however it reduces the clubs ongoing dependence on grant funding, while also avoiding the arbitrary and unwelcome effects of the levy previously used. Fundraising also gives the club more flexibility as the funds earned from this event can be spent as the club

sees fit compared to grant funding which is ring-fenced for specific activities.

On behalf of our committee I would like to thank all of the people who have assisted our work during the year, including our administration staff, unpaid volunteers, and club sponsors for their continued efforts and in particular Lindsay Rewcastle our Club Chairman and Sandra Rewcastle for their commitment and dedication to the Club and also Ted Waters who acted as Club Manager during the year and made some really positive changes in the short time running the place.

Conrad Harvey

BANKERS

ASB Bank

**MAIN SOURCE OF ENTITY'S CASH and RESOURCES:**

Membership subscriptions;

Trust grant funding;

Donations and sponsorships;

Association's annual grant;

Bar revenue;

Fundraising: dinner, auction.

These funds are used to pay for the Club's operations costs i.e.) coaches and administration wages, services, utilities, etc.

MAIN METHOD USED BY THE ENTITY TO RAISE FUNDS:

The Entity charges membership subscriptions;

Applies for trust grant funding;

Secures sponsorships from local businesses;

Operates its bar with a club license

Fundraising activities used: golf day, dinner and auction

Did not used a third party

ENTITY'S RELIANCE ON VOLUNTEERS and DONATED GOODS OR SERVICES:

The entity relies on gifts of volunteers' time and expertise to complete many tasks and work in essential roles such as governance (board and committees), fundraising, administration and maintenance.

ADDITIONAL INFORMATION:

Please note funding related to building of the Clubrooms, after they had burnt down through arson, was sourced from the Manukau City Council. The outstanding amount was later forgiven and no liability is owed to anyone in relation to the Clubrooms and Indoor Training Centre.

 Net Increase/(Decrease) in Cash	(37,561)	25,087
Opening Cash	<u>196,360</u>	<u>171,274</u>
Closing Cash	<u>158,799</u>	<u>196,360</u>
 This is represented by:		
Bank Accounts and Cash	<u>158,799</u>	<u>196,360</u>

7.2.6 Statement of Accounting Policies

1. **Basis of Preparation**

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Reporting – Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

2. **Goods and Services Tax (GST)**

All amounts are recorded exclusive of GST, except for Debtors and Creditors which are stated inclusive of GST.

3. **Income Tax**

The entity is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

4. **Bank Accounts and Cash**

Bank Accounts and Cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

5. **Property, Plant and Equipment**

Property, plant and equipment are stated at cost less accumulated depreciation. Assets with a purchase value of over \$500 are capitalised. Buildings and permanent fixtures are depreciated using the straight-line method to allocate the cost over the useful life. All other assets are depreciated using the diminishing value method at rates calculated to allocate the cost less estimated residual value of the estimated economic lives of the assets.

6. **Revenue**

Revenue shown in the Statement of Financial Performance comprises the amount received and receivable by the Club for goods and services supplied to members in the ordinary course of the Club activities.

7. Grant Income

Income from Charitable Trusts is accounted for in the year it is spent. Any Grants received but unspent at balance date are treated as Income in Advance.

8. Income Tax

The Club has been granted a not-for-profit status and is recognised as a charitable organisation by the Inland Revenue Department and the Charities Commission. As such it is exempt from income tax on income derived for charitable purposes. The Charities Commission registration number is CC45643.

9. Accounts Receivable

Accounts receivable are valued at anticipated realisable value. An estimate is made for doubtful debts based on a review of all outstanding amounts at year-end. Bad debts are written off during the period in which they are identified.

10. Stock on Hand

Stock on Hand is stated at the lower of cost and net realisable value.

11. Changes in Accounting Policies

There have been no changes in accounting policies during the financial year (last year – nil).

7.2.7 Notes to the Accounts

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF THE HOWICK PAKURANGA CRICKET CLUB (INCORPORATED).

REPORT ON THE PERFORMANCE REPORT

OPINION

We have audited the performance report of Howick Pakuranga Cricket Club (Incorporated) which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended 31 March 2018, the statement of financial position as at 31 March 2018 and the statement of accounting policies and other explanatory information.

In our opinion:

- a) The reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- b) Except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying performance report presents fairly, in all material respects,
 - a. The entity information for the year then ended;
 - b. The service performance for the year then ended; and
 - c. The financial position of Howick Pakuranga Cricket Club (Incorporated), as at 31 March 2018 and its financial performance, cash flows for the year then ended

in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not for Profit) issued by the New Zealand Accounting Standards Board.

BASIS FOR QUALIFIED OPINION

We conducted our audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)), and the audit of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the*

INDEPENDENT AUDITOR'S REPORT

REPORT ON THE PERFORMANCE REPORT

BASIS FOR QUALIFIED OPINION

Audit of Performance Report section of our report. We are independent of Howick Pakuranga Cricket Club (Incorporated) in accordance with the Professional and Ethical Standard 1(Revised) *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our ethical responsibilities in accordance with these requirements.

In respect of the matter below, we believe that the audit evidence we have obtained is not sufficient and appropriate to provide a basis for an unqualified opinion.

The Club's total income includes cash income from raffles, fundraising, donations and bar activities. There was no effective system of internal control over such income on which we could rely for the purposes of the audit and there were no practical audit procedures that we could use to confirm that this income was complete and properly recorded,

Other than in our capacity as auditor we have no relationship with, or interests in, the Howick Pakuranga Cricket Club (Incorporated).

RESPONSIBILITIES OF THE BOARD FOR THE PERFORMANCE REPORT

The Board are responsible for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- b) The preparation and fair presentation of the performance report on behalf of the entity which comprises:
 - a. The entity information;
 - b. The statement of service performance; and
 - c. The statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance reportIn accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not for Profit) issued by the New Zealand Accounting Standards Board, and
- c) For such internal controls as the Board determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the Board, is responsible on behalf of Howick Pakuranga Cricket Club (Incorporated) for assessing the entity's ability to continue as a going concern, disclosing, as

INDEPENDENT AUDITOR'S REPORT

REPORT ON THE PERFORMANCE REPORT

RESPONSIBILITIES OF THE BOARD FOR THE PERFORMANCE REPORT

applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate Howick Pakuranga Cricket Club (Incorporated) or to cease operations, or has no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE PERFORMANCE REPORT

Our objectives are to obtain reasonable assurance about whether the performance report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this performance report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the performance report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Board and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the performance report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

INDEPENDENT AUDITOR'S REPORT

REPORT ON THE PERFORMANCE REPORT

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE PERFORMANCE REPORT

- Evaluate the overall presentation, structure and content of the performance report, including the disclosures, and whether the performance report represents the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures to obtain evidence about and evaluate whether the reported outcomes and outputs and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

We have obtained all the information and explanations we have required.

In our opinion proper accounting records have been kept by Howick Pakuranga Cricket Club (Incorporated) as far as appears from our examination of those records.

We communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is Tim England.
